## **BIBLIOGRAPHY DEVELOPMENT with UNSW & SYDNEY UNVERSITY PhD STUDENTS**

Ms Dinley, from 2019, to ensure evidence-based current philosophies were being considered, self-funded a weekly independent research assistant, made available from either UNSW or Sydney University, who completed the necessary research and systematic reviews in order to compile bibliographies.

- "Impact of Personality Disorders on ADL task Completion, 2018, Consultant to University of Sunshine Coast OT faculty
- Universal Evidence-based Mental Health Interventions, 2019, University Sydney. This also includes
  discussions with a range of mental health facilities across Australia, and a range of mental health
  professionals.
- Grief and Depression Functional Impacts, 2019 to 2020, UNSW and USyd. This also includes discussions with a range of mental health facilities across Australia, and a range of mental health professionals.
- The Validity and Reliability of Relevant OT Screening Tools in a Medico Legal Setting, 2020, USyd. This
  includes discussions with neuropsychologists, rehab physicians, Physical and Mental Health OTs,
  psychologists and PTs and neurologists. University of Newcastle, Mental Health Specialty OTs were
  involved from 2015, and the same from James Cook University (Townsville Campus) from 2017, where
  Ms Dinley assisted students with their researched theses pertinent to personality disorders and
  participation in ADL.
- Impact on ADL of Dominant Versus Non-Dominant UL Injuries, 2020, U Syd. This includes discussions with generalist OTs and PTs.

- Neuropsychology Testing Versus Functional Observations, 2020, USyd. This includes discussions with neuropsychologists, rehab physicians, Neuro-OTs and neurologists. Icare also presented their research in November 2019, whereby Ms Dinley attended.
- Young People in Nursing Homes, 2020, USyd. This includes discussions with Social Workers and OTs.
- Leg Length Discrepancy Post THR, 2020, USyd. This includes discussions with OTs and PTs.
- Bidet Solutions, 2017 to 2020, UNSW. This includes discussions with OTs and Nurses.
- Vocational Interventions Following Trauma, 2020, USyd. This includes discussions with OTs, PTs, Social Workers, Psychologists, Psychiatrists, Employers and HR teams.
